Bullard's: Pumpkin Central thru Oct. 31, 2017

The store is bursting with pumpkins of all sizes \$5 or less. Pie Pumpkins just \$1. You won't find a larger selection of pumpkins and gourds than at this place where the farm has been growing pumpkins for 30 years. Kevin Bullard estimates that he and his partner Cindy will handle 10 tons of pumpkins this season! That includes several semi-loads shipped South. Oct. 21, 2017 was 3rd Saturday that included live music and so good BBQ, Mac & Cheese & More. Every month is the beginning of a new and different fresh, local fruit or vegetable for Elkhart's biggest provider of in-season, fresh and local fruits and vegetables. The Farm Market also sells antiques and collectables. They have a food service license for the market, and the farm also follows GAP certified training practices. 3rd Saturdays, showcase what is in season. Open April thru October Monday-Friday from 9am to 6pm and Saturday 9am-4pm. [Visit them on Facebook](#)

Just the Facts:
Bullard's Farm Market is Elkhart County's largest retail fresh, local farm market. For over 20 years, Bullard's have either grown or provided 2 million pounds of in-season fruits and vegetables for the local community. Bullard's Farm Market is a centennial family farm that transformed into Elkhart's well-known fresh Farm Market and Greenhouse business, located at the corner of C.R. 17 and Middlebury St.
