## At Camille's: Joyce shops for Accessories

Camille's Floral, Gifts and Boutique is blooming with exciting new items for the Spring/Summer season. Whether you are looking for a new outfit for you, a holiday gift for someone special or a floral display to brighten up your home, this is the place to go. Charming gifts you won't find anywhere else are here with pick and go floral bouquets for a friend or a lovely sweater, jacket, scarf or handbag for you.

Restocking new items is on-going here as the owners search far away places to find unusual and ideal items for their shop to celebrate all the seasons. It's been a number of years since Tracy Camille Lane and Cindy Mannia brought together a truly breath-taking shopping experience in Bristol, Indiana at the old Yoder/Rodgers home at 502 East Vistula St. with a fascinating emporium of delightful gifts, florals and vintage heirlooms for the past five years in Bristol, Indiana. You'll soon make it your go-to place for that special something for a family member, friend, or yourself. The Floral Shop at the rear of Camille's is where wedding plans for floral designs are made by many area brides. Birthday and Special Event occasions florals, as well as funeral tributes, such as the lovely "Pages" memorial are available to order in person or on the phone for delivery. Call 574-848-4904.
