## 17th Annual Eby's Cruise-In and Hog Roast

On Saturday, August 5, 2017, Eby's Pines RV Park & Campground in Bristol, Indiana held their annual Cruise-In of dozens of great cars and other vehicles from noon to 4pm. There was no entry fee for All Vehicles, and Motorcycles Welcome. They also offered Discounted Camping with Car Entry with Code Cruise 17.

Then, starting at 4pm, they had a Hog Roast Dinner, and to end the evening, Monkey's Unkle offered music from 7pm to 10:30pm.

Many groups of families and friends camped out for the weekend and filled the time at the pool, fishing at the pond, and strolling up and down the rows of cars. A good time was had by all!

Eby's is family owned and operated by the grandchildren of Harry Eby, Barry Lang and Janice Maxey. Barry manages the Campground & Pavilions and Chris Lang is Office Manager.
