From 10 am to 4pm, owners and staff had kayaks, canoes, and SUPs available for demo down at the River at Fluid Fun Canoe & Kayak Sales in Bristol, Indiana. In addition, there were reps from their manufacturers present to help visitors get into their next boat! Even if guests weren't sure what they were looking for, they had the opportunity to try out a variety of great boats! Among those checking out the boats were the Dietl Family, Jennifer, the Schaefer, and Hollister families. Fluid Fun is the place that draws buyers from all over the midwest to try one on then go out on the St. Joe River just down the bluff from the huge outdoor showroom. Owners John and Jessica Senecal love all things paddle sports and getting folks on the water with just the right boat and the right gear. They stock over 400 canoe and kayak leading manufacturers. Stop by soon if you missed this day.
