Fluid Fun Canoe & Kayak Sales in Bristol Indiana held a kayak demo and paddling clinic on the St. Joe River at Hermance Park on Sunday, June 11, 2018 from 4-6pm. They had both sit-on-top and sit-inside recreational kayaks as well as fishing kayaks for attendees to hop in and take out on the water at the park. Fluid Fun staff was on hand to help choose the perfect accessories like paddles and life jackets, including special fit ones just for the ladies. A representative from Hurricane Kayaks & Native Watercraft provided clinics on how to choose the right kayak for you, paddling techniques and safety procedures on the water!
