Want Spring Flowers? Buy Bulbs Now!

Kruse staff member Amy poses with a large display of Spring flower bulbs. In this climate, bulbs for Spring flowers need to be chilled down. Fall planting also ensures adequate chilling of the bulbs to promote flower bud initiation. Most species require 10-12 weeks of storage at 40-50° F. Stop in soon for the best selection of bulbs. Check out Kruse's greenhouse for a variety of fall decor from mums, several colors of pumpkins, gourds and decorative corn.

If it grows, Kruse Knows! And don't forget the pets! A wide array of food and supplies for any of the animals in your life. - and the birds and squirrels in your yard are looking for bird seed, corn, and other tasty treats! Bird feeders, houses, bird food and suet are in good supply. Have a question, give Steve a call, or drop in to ask him.

If you need wood bundles or wood delivery, give Kruse a call at 574-848-4151. Gren Heat bricks are also available. You can still sign up for the year-round fertilizer program, but Kruse has had to cancel its lawn mowing service and most snow plowing due to lack of staff due to low unemployment in Elkhart County.
