On Saturday, Oct. 19, 2019, Robert Weed Corp. held a employee event at the Bristol American Legion Post #143 in Bristol from 10 am to 2 pm. A number of employees brought their children or grandchildren, many in costume, to pick out treats at the various booths.

A number of local agencies and community organizations set up booths to inform employees about various program availabilities in the area, and there was also information on next year's employee benefits.

A number of kinds of crockpot chili choices, snacks, water and sodas made for a delicious family lunch.
