Treva Paris Retirement at Bristol Library

On Thursday, December 27, 2018 from 4-6pm, a Retirement Party was held for long-time Bristol staff member, Treva Paris. Family, Friends and other Staff members congratulated Treva on her retirement and maybe got a hug or two. Director Carol Anderson, Library Staff and Friends of the Library were sad to see Treva leaving the library, but were happy for her to begin spending her time doing the things she loved like maintaining her antiques booth in Elkhart, IN. A fantastic spread of snacks and punch, highlighted with a rainbow decorated cake was there for guests to partake. Treva received a number of tributes and gifts many of which involved chocolate - one of Treva's favorites. Bristol Library Board President spoke briefly of her own personal history with Treva, as well as honored her for her long and faithful service to the library. Treva promised to drop by the library often.
