July First Saturday Sale at Bristol Library

On Saturday, July 7, 2018 the Bristol Indiana Library held the July First Saturday Sale on the front lawn from 9am to 2pm. Sales run thru October, 2018. Just \$10 a table. No spouses, weapons, or animals, please. This month's sale offered a variety of items from a large telescope to sunglasses to tires, books, movies, clothes, accessories, and lots more. If you see something you'd like in the photos - that vendor may be back for the August sale. So come out each month on the 1st Saturday thru October. The winners of bikes donated by Bristol Police Dept. for most books read in the summer program were Kierstin Beachy and Aiden Hewitt. Officer Evan Horvath was there to talk about bike safety. Check the Library Facebook page for scheduled fun activities. And come meet Page Turner, the Library Cat. She can put a smile on your face! The new Library Gazebo is under construction now!
