Bristol Library Park Grand Opening 9-22-18

On Saturday, Sept. 22, 2018 from Noon to 4pm, the Bristol Library held the grand opening of their new Centennial Green Park in the lot next to the library at 505 W. Vistula St. The Park and the Pavilion were generously provided for the community by Ruth Eraybar, Robert Weed Plywood, Friends of the Bristol Library, Stuart & Karin Gardner and Anonymous Donors. Featured was live classic rock by "The Bigger Picture Band" from 1-3:30pm, free sloppy joes/hotdog lunch, \$1 Root Beer Floats, Giveaways and games for kids as well as an event by local Boy Scout troops. Also included was a Classic Car Cruise-In over all the Library grounds. Director Carol Anderson and her Staff worked tirelessly over the past few months to insure this fun event. The Park will hold a number of future special events. Special thanks to the Big Little Idea \$1,000 Grant from the Elkhart County Vibrant Communities.
