This Week in Bristol Indiana - 6-29-18

By 11 am on Friday, June 29, 2018, there were already more than 25 kids, parents, and grandmothers gathered around the Splash Pad in Cummins Park behind the Elkhart County Historical Museum in Bristol, Indiana. Ready for fun and picnics on a very warm summer day, kids splashed each other and played on the train or the swings. Open everyday now through Labor Day weekend, it is sure to be a crowd-draw place through the coming weekend and into the week of the 4th of July. As the weather gurus keep telling us - stay cool and stay hydrated during this coming week of very hot days.

Another busy place was the Bristol Post Office as patrons came to the counter to mail packages, get money orders, stamps or information on how to mail certain types of packages. Bristol Post Office employee Larry, always good natured and friendly, apologized for the wait each patron in line had due to the half dozen or more at a time who gathered in line for the window, including St. Mary's own Father Bob.
