Employees of Robert Weed joined David Weed and other staff members at 10am to 3pm on Saturday, July 13, 2019 at Bristol American Legion Post #143 in Bristol Indian for their Company Picnic. There were a number of children's activities and games, including face painting, bubble blowing, water pistols and more.

For adults there were a row of caricature drawing booths, games like bean bag throw, refreshments and music from a band.

The big event was the dunk tank - and David Weed cheerfully took his turn on the dunking chair.

A delicious lunch was served with BBQ, burgers, hot dogs and all the trimmings.
